

Amalfi

Frame:

All structural parts of the frame are made of solid wood. Some components are made of plywood.

Seat Cushion:

Comfort 1: The inner core is cold foam covered with fibre padding.

Comfort 2: The inner core is cold foam with feather top.

Back cushion:

The inner core is cold foam with feather top. The back cushions are fixed.

Upholstery:

Both fabric and leather covers. The cushion cover can be removed and washed according to the washing and care instructions (not leather).

Legs:

Black chrome legs.

Other:

Both the fabric and leather models have special cross stitching in a contrasting or matching colour.
